

Construction/Installation Team Member

Pay Range: Starting at \$19/hr, commensurate with experience

Location:

The Midwest Petroleum Equipment team is rapidly expanding and is seeking a skilled installer/laborer to join our construction and installation team as a licensed installer. MPE is a locally owned business and a leader in the petroleum equipment service and construction industry and is seeking candidates who want to work in a great team environment with professional growth opportunities.

Responsibilities:

- Assist in installing above- and underground petroleum tanks, piping, pumps, hoists, lifts and other petroleum and lubrication-related equipment
- Measure, layout, hang, thread pipe, solder/braze pipe and set mechanical equipment
- Operate various power tools, skid loaders, air compressors, forklifts, excavators and other related tools and equipment in performing described duties
- Be willing to travel to out-of-town job sites and work outdoors

Education, Experience and Qualifications:

- Minimum of 1 year experience in general construction, plumbing, mechanical or underground utility related field
- At least 1 year of experience with welding, fabricating and pipefitting preferred
- Arc, mig and tig welding experience with various materials (preferably AWS certified) preferred
- Be at least 21 years of age
- High school diploma or GED. Additional training and certification provided
- Valid and clean driver's license
- Able to pass background check and drug screening
- Follow safety procedures diligently

Technical Requirements:

- Able to interpret blueprints, specifications, and other project documents
- Able to perform manual construction work and equipment operations

General:

- Sound integrity and professional ethics
- Ability to build relationships with clients, subcontractors, vendors, and employees
- Ability to multitask, prioritize and complete projects on time

Hours:

- Full-time position, working 40 hours a week with overtime available if desired
- Standard work week schedule working Monday through Friday, all year long
- Opportunity to travel for overnight out-of-town projects if desired. Generous per diem, additional hourly wage available, paid hotel accommodations and paid drive time.

MPE Compensation Package includes:

- Competitive salary, great benefits, and annual bonus opportunity
- Sign-on bonus after 90 days
- Paid education, training, and certification
- Service vehicle and all tools provided
- Clothing and cell phone allowance
- 401K with company match
- Health, dental and vision Insurance
- Short-term disability, long-term disability, and life insurance
- Paid time off and holidays
- Excellent company culture with a focus on teamwork, innovation, and professional development opportunities

Why MPE?

Midwest Petroleum Equipment provides petroleum equipment, services, and project management expertise to a wide variety of clients across the Midwest. We work directly with petroleum marketers, contractors, engineers, environmental firms and retail companies to find solutions and build infrastructure based on their needs.

MPE strives to be a great place to work. We value teamwork, innovation, and professional growth for all employees with an excellent workplace culture.

Military members and veterans are encouraged to apply. We are an Equal Opportunity Employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity or national origin, disability status, protected veteran status, or any other characteristic protected by law.
