

Installation Technician

Pay Range: Commensurate with experience

Location: Omaha, NE

The Midwest Petroleum Equipment team is expanding and is seeking a professional and reliable person to serve as a Installation Technician. MPE is a local leader in the petroleum equipment service and construction industry and is seeking candidates who want to work in a great team environment with professional growth opportunities.

Responsibilities:

- Assist in installing above and underground petroleum tanks, piping, pumps, hoists, lifts and other petroleum and lubrication related equipment
- Measure, layout, hang, thread pipe, solder/braze pipe and set mechanical equipment.
- Operate various power tools, skid loaders, air compressors, forklifts, excavators and other related tools and equipment in performing described duties
- Traveling to out-of-town job sites and working outdoors

Education and Qualifications:

- Minimum 1-year experience in a general construction, plumbing, mechanical or underground utility related field
- Ability to interpret blueprints, specifications, and other project documents
- 1-year recent experience with welding, fabricating and pipefitting preferred
- Arc, mig and tig welding experience with various materials, preferably AWS certified preferred
- Be at least 18 years of age
- High school or GED level education preferred
- A valid driver's license is required
- Ability to perform manual construction work and equipment operations
- Able to pass background check and 4-panel drug screening
- Follow safety procedures diligently

Requirements:

- Able to lift to 60 pounds
- Position requires stooping, bending, kneeling, and climbing of ladders
- Sound integrity and professional ethics
- Ability to build relationships with customers and employees
- Ability to multitask, prioritize and complete projects on time

Hours:

- This is a full-time position working Monday-Friday with occasional overnight travel required. Generous Per Diem for travel.

Compensation Package:

- Competitive salary and annual bonus opportunity
- Sign-on bonus for qualified candidates
- Relocation expenses available
- Paid education, training, and certification
- Clothing and cell phone allowance
- 401K with company match
- Health, dental and vision Insurance
- Short-term disability, long-term disability and life insurance

- Paid time off and holidays

Why MPE?

Midwest Petroleum Equipment provides petroleum equipment, services and project management expertise to a wide variety of clients across Nebraska, Kansas, and Iowa. We work directly with petroleum marketers, contractors, engineers, environmental firms and retail companies to find solutions and build infrastructure based on their needs.

MPE strives to be a great place to work. We value teamwork, innovation and professional growth for all employees with an excellent workplace culture.
